

Wadhurst Parish Church APCM

St. Georges Hall Report for the year ended 31st December 2019

The investment in the Hall over recent years has resulted in the hall being in good shape, both internally and externally. A full report on the electrics confirms no major problems and remedial work will be completed in 2020.

Receipts were £9654 and reduced payments of £7264 gave a surplus of £2390, but this included the Church's contribution of £1500 and £779 from our biennial Christmas Fair. Stripping out these two figures gave an operational surplus of £111; a welcome change.

Total funds increased from £3324 to £5714 at the year end.

However, we should be aware that during the next five years the roof could require recladding and the car park resurfacing.

Our thanks to our active committee and hall users who have helped to achieve a good year, not forgetting Malcolm Dick our Honorary Examiner and Michael Hardcastle who again donated a magnificent Christmas Tree, beautifully decorated by the Brownies. Our cleaner Evelyn Brockman and Caretaker Alan Riall kept the premises in good order.

Brian Tuck
