

Electoral Roll Report

Two members of our congregation have died and two have moved from the area. We have had one join, so there are now 42 on our Electoral Roll.

FABRIC REPORT FOR THE ANNUAL PARISH CHURCH MEETING 2020

The major item of expenditure in 2019 was the installation of a new and substantially upgraded sound system. The Archdeacon's approval was received in January and the work was carried out in March. Total cost was £6,217. Included in the upgrade was a loop system for the hard of hearing and an integrated CD player.

Other items during the year: -

A key safe was installed in the porch to the left of the main entrance.

Professional cleaners have been engaged to clean the church once a week.

The wall at the end of the altar rail was badly cracked and has been repaired as has the wall at the end of the side aisle.

The exterior of the main entrance porch was repaired and redecorated.
